Goal Formula

Name of child + Will Verb + Specific Outcome

Goals and Vision

As Tools of Success

Now You Try

1. Look at the strengths and weaknesses you have written for your child. Choose ONE.
2. Choose a verb.
3. Write your goal following the formula: Name of child + Will Verb + Specific Outcome.
4. Check that the goal is:
 - specific
 - measurable
 - focuses on behavior
 - focuses on learning not completion
