

MORNING TIME

GETTING THE YEAR OFF TO A GREAT START

10 BEST TIPS

1. Start small and build slow
2. Spend the first few weeks of any school year ONLY doing review in Morning Time. Don't introduce new material and simply review items learned before.
3. Set an alarm on your phone to remind YOU when to get ready to start Morning Time.
4. Choose material that is familiar or seasonal. Choose to sing hymns from church, learn nursery rhymes, and seasonal songs and poems.
5. Visualize how your Morning Time will go before you start the first day.
6. Store everything you need for Morning Time together in one basket, box, or on one shelf.
7. Prepare your binders, playlist, and other materials before the first day.
8. Put something delightful in your Morning Time plan.
9. Just do it until it becomes a habit — even for mom.
10. Start with a joyful song.
